FINAL CONFERENCE “PARTNERSHIP FOR GENOMIC RESEARCH IN UKRAINE AND ROMANIA”

21-22 NOVEMBER 2022

This event is organized within the project “Partnership for Genomic Research in Ukraine and Romania (UA-RO Genome)” (2SOFT/1.2/48) funded by the European Union through the Joint Operational Programme Romania-Ukraine 2014-2020 and implemented by the State University ‘National Uzhhorod University’ (Ukraine) in partnership with the “Vasile Goldiș” University Foundation of Arad, branch of Satu Mare (Romania).

Conference agenda

Monday 21 November	Time	Language of the talk	Speaker
Conference launch. Opening remarks	13.00-13.10	Ukrainian	Volodymyr Smolanka PhD, Rector of Uzhhorod National University Uzhhorod, Ukraine
“UA-RO GENOMES”: Project achievements and implementation in Ukraine	13.10-13.20	Ukrainian	Yaroslava Hasynets PhD, Dean of the Department of Biology Uzhhorod National University Uzhhorod, Ukraine

Presentation of the university and project laboratory, the implementation of "UA-RO GENOMES" project in Romania	13.20-13.30	English	Olimpia Neagu PhD, "Vasile Goldis" Western University of Arad Satu Mare, Romania
Genetic predictors of global developmental delay and intellectual disability	13.30-14.00	Ukrainian	Liudmyla Turova PhD, Bogomolets National Medical University Kyiv, Ukraine
Preimplantation genetic testing: an embryologist's point of view	14.00-14.30	Ukrainian	Kurtyak Fedir PhD, Biology Department Uzhhorod National University Uzhhorod, Ukraine
The impact of genetic causes on epilepsy treatment in children	14.30-15.00	Ukrainian	Myroslava Malets PhD candidate, Pediatric Neurologist Uzhhorod National University Uzhhorod, Ukraine
Coffee break 15.00-15.30			
Is genetic discrimination possible in access to life insurance in Ukraine?	15.30-16.00	Ukrainian	Mykhailo Arych PhD, National University of food technology Kyiv, Ukraine
Design and development of new molecular tools to alleviate fibrosis in diabetes complications	16.00-16.30	English	Anca Hermean PhD, Vice rector "Vasile Goldis" Western University of Arad, Satu Mare, Romania
KEYNOTE SPEAKERS			
Genomic deserts: Global survey of underrepresented populations in genomics research	16.30-17.00	English	Serghei Mangul PhD, University of Southern California Los Angeles, USA
Precision medicine in understudied populations	17.00-17.30	English	Juan Rodriguez PhD, Weil Cornell Medical School New York, USA

Tuesday 22 November	Time	Language	Speaker
Project results UA-RO GENOMES: general overview	14.00-14.30	Ukrainian	Taras Oleksyk PhD, Oakland University Rochester, USA
Project results UA-RO GENOMES: data analysis and bioinformatic developments	14.30-15.00	Ukrainian	Walter Wolfsberger PhD candidate, Oakland University Rochester, USA
Project results UA-RO GENOMES: analysis of medically significant mutations	15.00-15.30	Ukrainian	Khrystyna Shchubelka PhD, Oakland University Rochester, USA
KEYNOTE SPEAKERS			
Using functional genomics to gain insight into protein function: understanding the protein Trem Like Transcript -1	15.30-16.00	English	Valance Washington PhD Oakland University Rochester, USA
"The Saddest Words in Tongue or Pen... The Genome Russia Project"	16.00-16.30	English	Stephen J. O'Brien PhD, Member of the National Academy of Science, Washington DC, USA

THIS PROJECT IS FINANCED
